20th Regiment Massachusetts Volunteer Infantry

The 20th Massachusetts Volunteer Infantry, also known as the “Harvard Regiment”, was a regiment of infantry in the American Civil War. The regiment was so nicknamed because officers had attended Harvard. The 20th was organized at Readville August 29 to September 4, 1861. After training they left Massachusetts for Washington D.C., Sept 4th. They would fight until the war’s conclusion; being mustered out on July 16 and discharged July 28, 1865.

With the exception of First Bull Run the 20th participated in all of the major battles fought by the Army of the Potomac. The 20th lost 17 officers and 243 enlisted men killed and mortally wounded. One officer and 148 enlisted men by disease. Total casualties were 409. Notable members were Oliver Wendell Holmes Jr. and Paul Joseph Revere. Col. Paul Revere, grandson of Paul Revere, commanded at Gettysburg, and fell mortally wounded on July 2, 1863.

One of the more unusual monuments at Gettysburg, is shown here. It is made of “puddingstone” from Roxbury.

**Origins of Civil War Round Tables**

More than 50 years ago, the late Ralph G. Newman came up with a brilliant idea. Newman was a famous rare book dealer. He and his Abraham Lincoln Book Shop were featured once on the golden age TV show, “Person to Person”. He great idea was to hold monthly meetings with like-minded Civil War enthusiasts and invite historians to give after dinner lectures. The result was the birth of the Civil War Round Table movement, in 1940. Chicago’s was the first, and it has been meeting without pause ever since. By tradition, Round Tables offer not only speakers, but book raffles, and funding for preservationists. They also run battlefield tours, and give out awards for historic achievement, and for scholarships to colleges and universities. We are grateful to the founding fathers of the Greater New Bedford Civil War Round Table for starting something significant here in the Southcoast region. We are growing, and we are having fun doing it.

The Grand Army of the Republic

After the Civil War had ended and the soldiers who survived the war had gone home, some of the veterans began to miss the camaraderie that they shared during the war. Veterans' clubs began to spring up all around the country. Many were local and most did not last very long, but a few went on to become nationwide organizations. One of these was the Grand Army of the Republic.

The Grand Army of the Republic, often referred to as the G.A.R., was founded at Decatur, Illinois on April 6, 1866. Dr. Benjamin Franklin Stephenson founded the organization on the three cardinal principles of Fraternity, Charity, and Loyalty and these principles guided the organization throughout its existence. Local organizations were called Posts and it was to a Post that a man applied for membership in the G.A.R. The members of the Post would vote to accept or reject each applicant. Posts from a state or region joined together to form Departments and the Departments formed the national organization. Departments and the National Organization held conventions called Encampments each year. Encampments were the ruling bodies of the G.A.R. and delegates would decide the business of the organization at these meetings. General John A. Logan was elected Commander-in-Chief in 1867. Gen. Logan is best remembered as the man who established May 30 as Memorial Day in his order #11.

The first Post, established East of the Mississippi, was in New Bedford, Massachusetts, William Logan Rodman Post #1. I found two pictures of them—shown below. They have quite an interesting history. Two additional Posts were in New Bedford.

Message from Bob Macfarlane

Book Raffle News by Bob Macfarlane

Your Round Table Board of Directors has asked me to take charge of the “Book Raffle” which takes place occasionally at our monthly CWRT meetings. I say “occasional” because sometimes we have a raffle, and sometimes we don’t even have books with which to have a raffle.

Soooo.....Here’s the scoop.!

WE NEED YOUR BOOK DONATIONS. Please scour your personal Civil War libraries, and find at least one or two books you are able to part with, and bring them to the next meeting you attend. That will help immensely with the quality of offerings, and encourage each of us to purchase a few $1 raffle tickets each time we come.

WE NEED YOU TO BRING A COUPLE EXTRA BOOKS each month, ready to purchase raffle tickets. I hope you might think of buying at least one, perhaps more than one. If enough books are donated, it is my hope to draw two tickets each month, and you can choose which book you’d like if you’re a winner. Many round tables make a great deal of extra money from these book raffles, which helps with our scholarship awards and support of Civil War programs. Join the fun and help our local Round Table.

Thanks...Bob Macfarlane
